

The Installation Equal Opportunity Office and Fort Lee

Celebrating Women's Right to Vote In Observance of Women's Equality Day 2010

The observance commemorates the 90th anniversary from the passing of the 19th Amendment to the U.S. Constitution, acknowledging women's right to vote. Activists for women's equal rights spoke, wrote, advocated, lobbied, demonstrated, and picketed, until their efforts were finally rewarded with what many considered a fundamental change in the U.S. Constitution.

Please, come and join us on 25 August 2010 at 2221 Adams Ave, Fort Lee.
